

## **2003-2006 John Tyler Zinfandel Collection Bacigalupi Vineyards Russian River Valley**

**About this one of a kind vertical:** Our limited offering of library wines has been designed to exemplify Tyler Heck's unique winemaking style. Our extended ageing process in both barrel and bottle has created a Zinfandel that will grow more supple and luxurious over time.

### **2003 Zinfandel**

Our 03 Zinfandel is a wine with a balanced soft background of caraway rye and good spice definition. The color is deep red and the palate offers fruit with delicate dried currants. Our concentrated winemaking style coupled with the cooler climate in the Russian River Valley appellation produces a Zinfandel full and silky in texture with bright acid and deep fruit. We provide the fruit with ample hang time on the vine to encourage physiological maturity. This is our first Zinfandel wine under the John Tyler label.

### **2004 Zinfandel**

This versatile wine features concentrated flavors of cherry and raspberry mingled with soft hints of barrel spice and black pepper. With extraordinary rich and silky tannins this wine unfolds on your palate with a wonderful balance of full round fruit, and acidity.

### **2005 Zinfandel**

Moderate temperatures through harvest allowed the development of deep, rich flavors and color, the ideal growing season. This wine exhibits notes of juicy boysenberry and black raspberry with slight earthy overtones. This wine, which is made to age, has vibrant fruit characteristics mingled with some spice.

### **2006 Zinfandel**

Our 2006 Zinfandel features a rich texture with lush flavors centered on a core of bright cherry fruit, accented with herbal notes and subtle spice. Full bodied with lots of viscosity and a hint of minerality in the finish. Allowed time to mature in the bottle, this highly structured, balanced Zinfandel will evolve into a supple, beautiful wine.
